

## VIKING DAILY

Friday, December 20, 2024

Weather: Cloudy &amp; Showers. 63° F / 17° C

Sunrise: 8:22 AM | Sunset: 5:54 PM

**KUŞADASI (EPHESUS), TURKEY**

One of antiquity's best-preserved cities, Ephesus offers an unparalleled look into the lives of the ancients. Many of its ruins have endured from the time Ephesus was one of the largest metropolises of the ancient world. Excavations reach back to the 10th century BC, when this city hosted one of the Seven Wonders of the Ancient World—the Temple of Artemis. Today, Ephesus is still full of wonders: the towering facade of the Library of Celsus, the massive amphitheater that once sat 25,000 spectators and residences adorned with frescoes. Ephesus also holds an important place in Christianity. Here, St. John is said to have preached and Mary to have lived out her final days in a tiny stone house.
