Shipboard Account

- Please note the credit card on your account will be charged automatically on the morning of **Monday, December 23, 2024**. Cash accounts and inquiries should be settled the night before you disembark.

Disembarkation Procedures

- You will have received a personal letter explaining disembarkation procedures as well as a colored luggage tag depending on your continued travel arrangements.
- If you have made your own travel arrangements, please proceed directly to the gangway at the time designated in your letter. If you depart earlier, your luggage and transportation may not be ready.
- Please keep the gangway area clear until you are ready to depart. This will help make for a speedy and efficient disembarkation.
- You will be asked to show your stateroom key card to security at the gangway as you disembark.
- All staterooms need to be vacated by **8:00 AM**, regardless of your scheduled disembarkation time

Your Stateroom

- Check that all drawers and cabinets are empty. Also, please leave the door to your safe open.

Luggage

- Use the color-coded luggage tags we have provided to help you locate your luggage in the terminal. If you did not do this, you are responsible for disembarking with your luggage.
- Clearly fill out the information on these tags.
- Attach the tags to your luggage and remove any old tags.
- Leave the tagged luggage outside your stateroom **by latest 10:00 PM, Sunday, December 22**, for transfer to the terminal.
- Keep passports, tickets, medications, breakables and valuables with the belongings you will hand carry to the terminal.
- Remember not to pack any items you will need tomorrow morning, such as clothing.
- Please note: Any unidentified luggage which has not been cleared by customs and immigration in the terminal will not be transferred.**

Questionnaire

- We value your feedback and suggestions, so please take a moment to complete our questionnaire. You can leave it in your stateroom or drop it in the mailbox opposite Guest Services on Deck 1.
